### **Agreement To Hold Harmless and Image Release**

The Clapping Hands Farm camp provides an art and nature focused camp for children in an outdoor setting on a working farm. Activities in this program may include, but are not limited to: drawing, painting, printmaking, other arts and crafts activities, cooking, nature crafts, nature exploration, building shelters from natural materials, archery, fire making, animal tracking, singing, song writing, storytelling, dance, creative drama, puppet making, running games and other strenuous physical activity, kite flying, water play at our hand pump and well, pond exploration, canoeing on the pond, hikes, farm chores, interaction with horses, chickens, cats and dogs, walking along the road to a creek near the farm, swimming in natural bodies of water, travel down our 3/4 mile one lane driveway when arriving to and leaving camp with parents or car pools, and more.

Risks inherent in these activities include, but are not limited to:

- exposure to biting insects, ticks, poison ivy, and poisonous snakes
- exposure to diseases carried by ticks and other biting insects
- walking, hiking, running and playing in hot or otherwise inclement weather
- falls from slipping on pond banks, or tripping on rocks, tree stumps, branches, and uneven terrain
- falling over board and drowning when canoeing on the pond (please note that the pond is shallow enough for an adult and most kids to stand up in and life jackets are required for canoeing.)
- injuries from use of sharp tools or glue guns and allergic reaction from exposure to paints, paper mache paste, cement, and other art materials during arts and crafts activities
- burns from gas range, camp fire, or hot food/liquids during cooking activities
- drowning or injury while swimming or playing in natural bodies of water
- accidents on the driveway
- risks normally associated with travel in a car driven by camp staff or the parent of one of the campers.
